# **A Message from Bob DiBella**

President of the Home Builders and  
Contractors Association  
Florida's Space Coast

*OMNI Resource Group*

On behalf of the Home Builders and Contractors Association of Florida's Space Coast Board of Directors and our Committee members, we enthusiastically welcome you to the Sherwin Williams 40th Joyal Family Golf Classic. We are delighted to provide you this important but fun-filled event that will undoubtedly have you leaving us this afternoon looking forward to next year!

This tournament is named in honor of the Joyal Family who have played an integral role in the growth and effectiveness of the HBCA for decades. Words cannot adequately express what the Joyal Family means to the Space Coast HBCA but it is safe to say that the association would not be where it is today without the unwavering dedication of the Joyal Brothers!

The tournament today is the result of the unselfish efforts of sponsors, committee members and volunteers and we are excited to have you here! The committee worked hard to give you the best experience possible and one that reflects the association's renewed commitment.

In that same spirit, your Board of Directors in concert with Space Coast HBCA's Professional Team, continue to implement proactive steps that not only help member businesses now, but for years to come. The members that make up the association ARE the association, and we are here for one ultimate goal, the success of our businesses and industry.

The future of the Space Coast HBCA is incredibly bright and the more each of us makes the time to get involved, the more our businesses will flourish.

**Bob DiBella**

Space Coast HBCA President

# A Message from Mike Jaffe

First Vice President &  
Chairman of the Sherwin Williams  
40th Joyal Family Classic

*Christopher Alan Homes*

Dear Golfers,

On behalf of the members of the Space Coast HBCA Golf Committee, welcome to the 40th Joyal Family Golf Classic Sponsored by Sherwin Williams. Our committee members worked tirelessly, providing their time and treasure in order to provide you with today's event. From the amazing venue to the beautiful cars available for you to win, to our six Tee Bars and Cigar Bar spread across the course, to our first-class Awards Dinner, and all stops in between, we're confident that you will find the tournament reflects the strong spirit permeating the Space Coast HBCA!

This golf tournament is important not only for the funds it raises to benefit the Space Coast HBCA, but also to our community as the association will donate the proceeds from our long drive contest to Cocoa High School's Career and Technical Education Program (CTE) that focuses on Building Construction Technologies. Cocoa HS CTE is a great program which teaches a variety of trades and prepares high school students to enter the workplace without having to attend college.

As the Space Coast HBCA's First Vice President and Chairman of the Golf Committee, thank you to all of our sponsors who have made this day possible, your support is very much appreciated!

We look forward to seeing everyone next year!

**Mike Jaffe**

Space Coast HBCA First Vice President / Chairman of the Golf Committee  
*Christopher Alan Homes*

# **A Message from John Thomas**

Chief Executive Officer  
Home Builders and Contractors  
Association  
Florida's Space Coast

On behalf of your Professional Team at the Space Coast HBCA, thank you for participating in today's event. Since 1958, our members have played an integral role in developing and building Brevard County, making it one of the best places to live, work and play, anywhere in the world.

The Space Coast HBCA's is focused on uniting Brevard County's construction community, providing our members with a strong voice with our local, state, and federal governments while also providing opportunities for our members to improve and grow their businesses.

Last year's tournament was a monumental success, and I am confident that you will find that this year's tournament boasts even greater fun! We are one of only a few organizations in Brevard County that are fortunate enough to have Suntree Country Club as our venue! Along with playing on this PGA quality course, we are confident that our six Tee Bars, complimentary cigar bar, and your having two opportunities to win a new car among other prizes, you'll come away ready for next year!

If you're a current member, get involved and make the most of your membership! If you're a former member, let's reconnect, you'll be pleasantly surprised...and if you're not yet a member, come check us out!

We hope you enjoy today and appreciate the generosity of each of our sponsors, committee members, and volunteers who made this day possible!

The Space Coast HBCA is "The Team Behind Your Team"!

## **JOYAL FAMILY CLASSIC SPIKE GOLF TOURNAMENT**

### **...a little history**

The Sherwin Williams 40th Joyal Family Classic is named in honor of the Joyal Family who have played an integral role in the growth and effectiveness of the HBCA for decades.

The Joyal Brother Bob, Danny & Paul, founded Joyal Homes in 1974 on the pillars of great communication, realistic budgets, and on-time delivery. The brothers immediately saw the value in being members of the Home Builders and Contractors Association of Brevard, joining in 1977.

Active in helping share the benefits of the HBCA across the Space Coast's construction community as a member of HBCA's SPIKE Club, Bob first chaired the association's golf tournament in 1980, with the foresight as it being a way to support and reward members who are actively helping grow the association's membership. At the same time, Paul Joyal was serving two terms as HBCA President in 1982 and 1983.

Unfortunately, Bob Joyal passed away in August of 2003, but Paul has carried on the family legacy, serving as Chairman of the Golf Committee from 2007-2015 and as President of the HBCA in 1982 and 1983. Paul currently serves as an Honorary Life Director on the Board of Directors, is the association's all-time leading SPIKE with an amazing 2,201 SPIKE points and is a current member of the Space Coast HBCA Hall of Fame.

Through the tournament's storied history, it has brought builders, contractors, skilled trades, professionals, and community leaders together for the purpose of supporting the most important building industry association in Central Florida, the Space Coast HBCA!

*The Joyal Brothers*

## **Sherwin Williams 40th Joyal Family Classic Golf Rules**

### **FORMAT OF PLAY**

#### **Four Player Team Scramble**

All four players will play from the tee. Select the best tee shot, then all four players play from the same location and continue to play from the best ball location until the ball has been holed or until they have “bogied” the hole. “Through the Green,” the ball may be placed within one club length, no closer, to the hole. In doing this, the integrity of the shot MUST NOT be changed. Example: Ball moved from the fairway to the rough or vice versa).

White Tees: Men 65 years of age or older / All Ladies

Green Tees: Men 64 years of age or younger

### **SCORING**

Please put the team score for each hole in the appropriate box. Add the total score and please have TWO signatures per scorecard, Scorer and Attest.

### **RULES**

If you are in a threesome, please alternate hitting the 4<sup>th</sup> shot in a constant rotation.

Example: On the first hole played, player “A” hits two shots, on the next hole player “B” hits two shots, etc. Keep this rotation through the entire round. All rules are governed by the U.S.G.A. in conjunction with Suntree Country Club local rules.

All scorecards are to be turned in after your final hole to the Suntree CC staff located inside the Magnolia Room (2<sup>nd</sup> Floor above registration area) prior to the Awards Banquet.

Career & Technical Education (CTE)  
Building Construction Technologies

## **Hole #10**

The HBCA Golf Tournament is specifically designed so that when you get on the course, nobody is soliciting you for money with the exception of one worthy charity or cause!

Hole #10 will provide you the opportunity to support the Cocoa High School Construction and Technology is in its 4th year of administration. On average annually there is around 100 students enrolled in the program. The purpose of CTE is to showcase opportunities for students who may not be suited or do not want to attend college. It is well known there is industry wide labor shortages, and the Cocoa HS CTE program will help fill the gap by teaching HS students about general construction knowledge regarding safety, estimating, reading drawings, and encouraging hard work and ethics. As the students progress through the program they have a full shop at their disposal which simulates jobsites where individual trades can be mastered from welding, carpentry, plumbing, masonry, electrical, etc. Cocoa HS has become a feeder program for many local businesses to provide internships which often turn into full time jobs.
