JOYAL FAMILY CLASSIC SPIKE GOLF TOURNAMENT ...a little history

The Sherwin Williams 42nd Joyal Family Classic is named in honor of the Joyal Family who have played an integral role in the growth and effectiveness of the HBCA for decades.

The Joyal Brother Bob, Danny & Paul, founded Joyal Homes in 1974 on the pillars of great communication, realistic budgets, and on-time delivery. The brothers immediately saw the value in being members of the Home Builders and Contractors Association of Brevard, joining in 1977.

Active in helping share the benefits of the HBCA across the Space Coast's construction community as a member of HBCA's SPIKE Club, Bob first chaired the association's golf tournament in 1980, with the foresight as it being a way to support and reward members who are actively helping grow the association's membership. At the same time, Paul Joyal was serving two terms as HBCA President in 1982 and 1983.

Unfortunately, Bob Joyal passed away in August of 2003, but Paul has carried on the family legacy, serving as Chairman of the Golf Committee from 2007-2015 and as President of the HBCA in 1982 and 1983. Paul currently serves as an Honorary Life Director on the Board of Directors, is the association's leading SPIKE with an amazing 2,201 SPIKE points and is a current member of the Space Coast HBCA Hall of Fame.

Through the tournament's storied history, it has brought builders, contractors, skilled trades, professionals, and community leaders together for the purpose of supporting the most important building industry association in Central Florida, the Space Coast HBCA!

Sherwin Williams 42nd Joyal Family Classic Golf Rules

FORMAT OF PLAY

The format for today's play will be a 4-person Scramble. In a Four Person Scramble, each player hits a tee shot, select the best shot, and each player plays from within 1 club length of this position, without improving the condition of the lie, meaning your club length cannot take you from the rough to the fairway, or from a hazard out of a hazard.

Please pick up at Bogey.

In the event your team has 3 players, select a rotational process to hit the 4th shot. For example, on Hole 1 Player A will hit the 4th shot for the entire hole, on the following hole player B will hit the 4th shot, followed by Player C on the next Hole, and then start the process over again.

- Men 59 years of age and under shall play the BLUE Tees
- Men 60 years of age and older may play the WHITE Tees
- Ladies shall play the RED Tees

SCORING

Please use the scorecard provided in your golf cart. After completing the tournament, promptly submit your team's scorecard at the clubhouse. This will help ensure a quick and seamless calculation of the award winners.
